In appreciation and recognition of support given to the K-W Poppy Campaign.

## **The Frederick Art Walk (represented by Lori Cole Pottery)**

On behalf of the Kitchener-Waterloo Poppy Fund, we gratefully acknowledge the donation of \$417.00 raised at the 2017 Frederick Art (represented by Lori Cole Pottery), where an amazing array of hand-crafted works were for sale with the proceed going to support our K-W Poppy Campaign.

It is through efforts, such as yours, that give support to our association that make it possible for our fund to continue to aid veterans and their families in our community, with emergency medical assistance, groceries, shelter, etc.

The Kitchener-Waterloo Poppy Fund prides itself on its commitment to our Fallen Comrades and those that have served. **WE WILL REMEMBER THEM** – is our declaration and promise to all our Comrades.

Once again, we thank you and appreciate your efforts in supporting our Campaign. People have a special place in their hearts for Canada's Veterans, and we certainly applaud yours and all those that gave.

Warm Regards,

Jim Meyer
